*In Tasmania, you can rise
to the challenge of a lofty summit and
feel the thrill of rushing rapids on a wild river.*

You can see the world over the bow of a kayak and stride out on a track through the wilderness.

You can walk beneath ancient rainforest and find a remote beach where
the only footprints on the sand will be yours.

An island of adventures is waiting – the outdoor people
in this brochure can help you discover it.

IN THE AIR

Cable Hang Gliding

Voted by *Getaway* (holiday TV program) as 'one of the best ten rides in Australia.' Experience the sensation of hang gliding as you soar over an eighteen metre cliff, landing two hundred metres from your take-off point.
